MIKE MAZZEI

FOR OKLAHOMA GOVERNOR

THE MAZZEI PLAN. THREE PROMISES. REAL RESULTS.

1. Cut taxes. Keep more of what you earn. Eliminate Oklahoma's income tax — starting with retirement income and tips. Abolish property taxes for seniors and veterans so you stop paying rent on the home you already own. End wasteful spending and insider tax credits.

2. Protect Oklahoma Land. Stop foreign land grabs by hostile nations like Communist China. Close loopholes that allow shell companies to mask foreign ownership. Defend property rights for Oklahoma families and farmers. Keep economic benefits local.

3. Fix our schools. Appoint a statewide literacy director. Dedicate up to $150 million to phonics- based reading. Empower parents, support teachers, hold the bureaucracy accountable.
